

## Introduction to our Advent series

The Advent Season is typically associated with a season of joyful anticipation. As children we may remember the countdown beginning, perhaps with an Advent calendar with a chocolate for every day. Decorations and lights come out of the closets and a whole new repertoire of music finds its way into our ears in anticipation of a season of joyful festivities. We look forward to celebrating the birth of Jesus. While this year's pandemic restrictions may keep us all closer to our homes than we would like, preparations for Christmas are nonetheless appropriate.

This year's Advent theme, "On the Road . . ." conveys not only a contemplative anticipation but it elicits a sense of movement. It then begs the question: What are we moving towards? Does the movement end at Christmas? The birth of Jesus, Emmanuel—God with us, opens for us a new era of God journeying with us and we journeying with God along the road of faith and faithfulness. In preparation for such a journey, we begin with opening ourselves in **readiness** to new understandings and a willingness to **repent** and leave behind attitudes and priorities that obstruct our movement. This opens us to visions of the possibility of **restoration** and justices in our world as we finally approach the manger with the full **revelation** of the child. Such revelation indeed calls for **rejoicing** on Christmas Day. How will this revelation guide our steps into a new year as we continue our journey on the road? In the midst of this year's pandemic, let's allow prayerful contemplation to prepare us for the revelation of God's love manifest in the child. And then, individually and as a congregation, let's consider how we can continue to make this love manifest in our world, guided on this road by the **radiance** of Epiphany and Emmanuel –God with us!

### Altona Mennonite Church Vision

*God calls us to be followers of Jesus Christ and by the power of the Holy Spirit to grow as communities of grace, joy and peace so that God's healing and hope flow through us to the world.*

### Purpose

*We seek to know God through Jesus, the center of our faith.  
We seek to follow God in community, through worship, fellowship, and interpreting the Scripture from a Christ-centered point of view, in the Anabaptist tradition.  
We seek to obey God by working toward peace and reconciliation, in the spirit of Jesus, reconciling all people to God, to each other, and to the world around them.*

Our pastors and a few others are working to set up the facility to video record our services, which will add to our connection. Thankfully a Grant will help offset costs, but we still have our regular expenses, and are currently \$9,000 into our Line of Credit, so please give generously. Thank you.

- Giving is an act of worshiping in the community of God's people as part of our desire to be faithful followers of Jesus, providing healing and hope to those whom AMC feels called to serve. We continue to be a generous people, offering our

resources of time, energy and money to the ministries of our congregation, our conference relationships and our local ministry partners. Remember there are several ways to give: Online through Access Credit Union, (using your 7-digit phone number as your account number), e-transfer to [amchurchdonations@gmail.com](mailto:amchurchdonations@gmail.com), or a cheque which you can add to the offering plate on Sunday or mail it to AMC, Box 1237, Altona, R0G 0B0.
