The number of Anabaptist resources available online in Mandarin is growing. We are thankful for a small group of Chinese writers that are beginning to add to these. Pray for these writers, their writing will have an impact far beyond their congregations.

- Witness worker teaches restorative justice to school board committees

Witness worker Bock Ki Kim, together with others in the Chuncheon Community Peace Center, has been invited to visit all 17 school boards in the area to talk about restorative justice/education with committees involved with student violence and conflict. Pray for Bock Ki as he does this training every Thursday and Friday until the end of May.

- Income-generation in Thailand

Income-generation training and discipleship training go hand in hand in the church communities of northeastern Thailand, served by Witness workers, Tom and Christine Poovong. Pray that the trained leaders will find ways to support their families and become strong anchors in their communities.

If you would like to add or remove any prayer requests, please contact the church office.

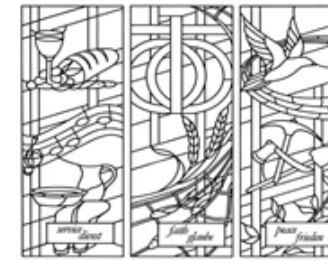

Altona Mennonite Church

Vision

God calls us to be followers of Jesus Christ and by the power of the Holy Spirit to grow as communities of grace, joy and peace so that God's healing and hope flow through us to the world.

Purpose

*We seek to know God through Jesus, the center of our faith.
We seek to follow God in community, through worship, fellowship, and interpreting the Scripture from a Christ-centered point of view, in the Anabaptist tradition.
We seek to obey God by working toward peace and reconciliation, in the spirit of Jesus, reconciling all people to God, to each other, and to the world around them.*
