

### **Prayer for Our Community**

- Pray also for the Health Care Providers.
- Pray for Doug Klassen (MCCanada's Executive Minister) and for church leaders at all levels of our conference.
- Pray for Michael Pahl, our MCManitoba's Executive Minister.

### **Prayers for the World**

- **Turmoil and rising cases in Bethlehem affect Bible college** - Bethlehem Bible College asks us to pray for their new academic year as they prepare for classes and enroll students this summer. Located near the checkpoint and two refugee camps, they are often subjected to tear gas, shootings and turmoil in the street. They are also dealing with rising COVID-19 cases, a slow vaccine roll out and less than 15 per cent of the population vaccinated.

- **Progress made in Siamou translation** - Africa Inter-Mennonite Mission asks us to join them in praising God for progress made by the Siamou Bible translation team. Despite several months lost to public health restrictions, work resumed on the books of Mark, Acts, Galatians, 2 Corinthians and Colossians. Pray that progress will be steady so that the Siamou people will soon have the Bible in their own language.

- **Bylers to lead EMU program in Thailand this fall**

Pray for Myrrl and Ruthie Byler, jointly appointed by Mennonite Church Canada Witness and Mennonite Mission Network to relate to ministry partners in Southeast and Northeast Asia. Although experiencing travel restrictions in Thailand, they are connecting with various partners. Pray for the cross-cultural program they will lead through Eastern Mennonite University in Thailand this fall.

*If you would like to add or remove any prayer requests,  
please contact the church office.*

**The Quilts** bring me joy when I plan, create, meditate while I stitch. The Sunflower quilt is named "*A little bit embarrassed, a lot delighted*" because I showed how to make the block at one of our guild meetings for one of the block draws. As each person completed their block and returned it to me for the draw, I would say something like "That will look so nice in my quilt"! So I was both embarrassed and delighted when my name was legitimately drawn.

"*My Not So Secret Garden*" was the project for a class I took over several months. I love learning new ways to do the various techniques involved in the making of a quilt. There were 8 of us in the class, and 8 very different results.

### **AMC ANNOUNCEMENTS**

- Vic Penner has moved from Gardens to Winnipeg. His new address is #112-741 Sterling Lyon Pkwy, BrightWater Senior Living, Winnipeg, MB R3P 2S9. Steve and Anna are glad to have him close to where they live.

- **From the treasurer:** Thank you to all who have continued to give generously to the ongoing work of the church through AMC. As a member congregation of Mennonite Church Canada we are partners with the Colombia Mennonite Church. They are 20 Mennonite Churches in Colombia that share a common vision for Anabaptist witnesses of justice, peace, love and nonviolence. Part of our Sunday donations are passed on to MC Can. where they support the Colombian Mennonite Church through grants for ministries, especially in the areas of leadership development, church planting and missions.

Of course, we also have AMC bills to pay and salaries to honour, even while we have been apart. Fortunately, AMC has received generous Bridge grants, totalling \$20,000. To put this into perspective, our other Revenues are lower than usual, and even in normal times we are often up to, or exceeding our maximum line of credit by this time of the year. This year we are just nearing our line of credit for the first time. Now our steps and ramp project is nearing completion.
