

Formation Committee Report 2022

There are 8 children in the Sunday School group ranging from Kindergarten to Grade 12. Because of the vast spread of ages, it was decided to change the format of "AMC Sunday School" to accommodate the group size and lack of SS teachers.

This has been a very positive change with lots of hands on learning, community and relationship building within the group.

In the spring of 2022, the kids of AMC met with Margruite Krahn on Thursday evenings to craft and create puppets and then practiced and performed a couple of puppet shows during a the morning worship services during lent.

This group also baked cookies for the Mother's Day service.

We held our picnic on June 19, 2022 at the Neuberghthal Commons. It was a meaningful morning with sharing and singing. A gift was presented to Margruite for her leadership and dedication to the children of our congregation. The morning ended with an outdoor picnic under the trees.

In fall the AMC Kids group met on Thursday evenings and Sunday mornings.

On October 23rd we hosted a weiner roast get-together for the congregation at the Andrea & Karey Hildebrand's. This event was well attended and enjoyed by approx. 50 people.

The AMC kids met during the mornings of the 4 Sundays in Advent to create nature inspired Christmas Tree ornaments for the tree in the church sanctuary. Each Sunday the kids decorated the tree in the sanctuary with new ornaments.

This group led the morning worship service on December 11th, with instrument accompaniment to the morning singing, playing of the hand bells, Christmas story and decorating of the tree.

Planning for 2023 has begun.

On behalf of Formation Committee,

Sandra Klassen, Susie Fisher, Ray Hamm, Andrea Hildebrand, Margruite Krahn
